

March Offers 2020

This month we've asked our therapists to choose the treatments they love to do here in the salon and these offers are what they came up with.

The back is cleansed, exfoliated & massaged, followed by an Aromatherapy Facial & an Oriental Scalp massage.

£50.00

A super treat, suitable for all skin types. A combination of the Aromatherapy facial and the Regenerating & Firming Eye Treatment. We've added on an extra hand & arm massage to extend this treatment to 90 minutes of bliss.

£47.50

Back Massage & an Express Facial

Enjoy a 30 minute Back Massage followed by an Express Facial which includes time working on your facial pressure points to help with drainage.
